ICV has made its business approach clear to its employees, staff and potential and actual customers by establishing and publishing its Quality policy stated hereunder –

QUALITY POLICY

We at ICV, are committed to provide management system conformity assessment & certification services to our clients in a manner that would elevate the prestige of ICV and our certified Clients. We are committed to follow international accreditation standard ISO 17021:2015 and relevant IAF regulatory requirements.

To inspire trust we would ensure full transparency, and would maintain complete impartiality in our assessment and certification process.

To promote quality and impartiality, we would engage only senior subject experts in accordance with the applicable regulations of the International Accreditation Forum (IAF).

We would strive to continually improve our performance by establishing service standards and quality indicators.

We would achieve our objectives by establishing and following Quality management protocol and by elevating the quality of our staff by providing to them required knowledge, skill and procedural trainings.
